

(-)-Phomoidride B (191122-TKGP)

T. Fukuyama^{1), 2)}

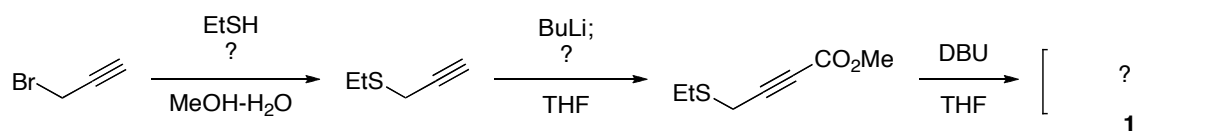

Activity

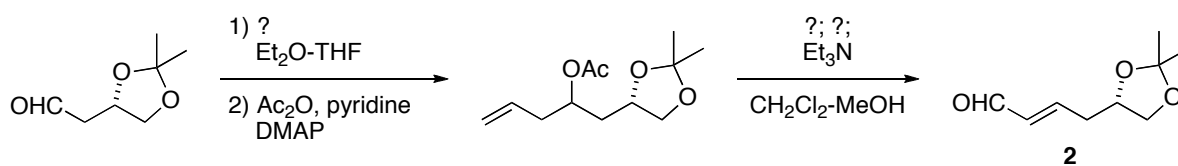

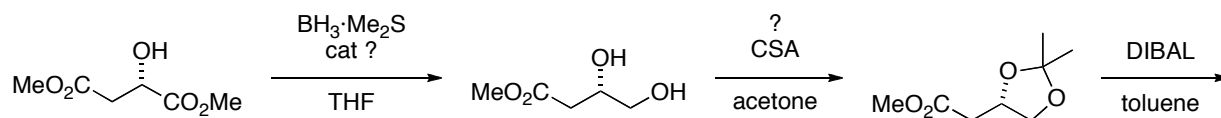

Ras farnesyl transferase inhibitor (Ras ファルネシル基転位酵素阻害剤)

Key Reactions

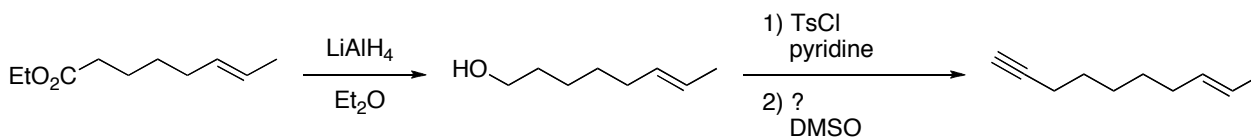

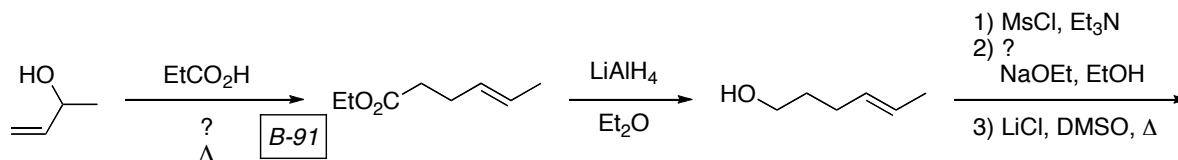

(A) Evans aldol reaction, (B) intramolecular Diels-Alder reaction, (C) selective esterification, (D) Arndt-Eistert homologation, (E) formation of anhydride via carbonylation, (F) palladium-mediated coupling of thiolester
